Settings

- General
- Beta features**
- Data controls

As a Plus user, enjoy early access to experimental new features, which may change during development.

Plugins

Try a version of ChatGPT that knows when and how to use third-party plugins that you enable.

Code interpreter

Try a version of ChatGPT that knows how to write and execute python code, and can work with file uploads. Try asking for help with data analysis, image conversions, or editing a code file. Note: files will not persist beyond a single session.
